

EC-HP-PoE (PAIR) Hi-Power 504 TX/RX

Do you need to send IP video and power to multiple IP cameras up to 950 feet? The HI Power 504 Combo extender and PoE injector is ideal for up to 4 camera installations with no power at the periphery. Send power and data to a remote location over 1 Ethernet cable. PoE

- Single line solution
- Power 4 cameras @ the edge
- No need for power @ camera location
